

## Storage at Pygmy Possum Lodge

The club offers lockable ski lockers and cabinets as well as ski bays in the service passage. Please note that the club has no insurance cover for any members' possessions stored at the lodge. The club does not accept any responsibility for loss or damage to items in storage.

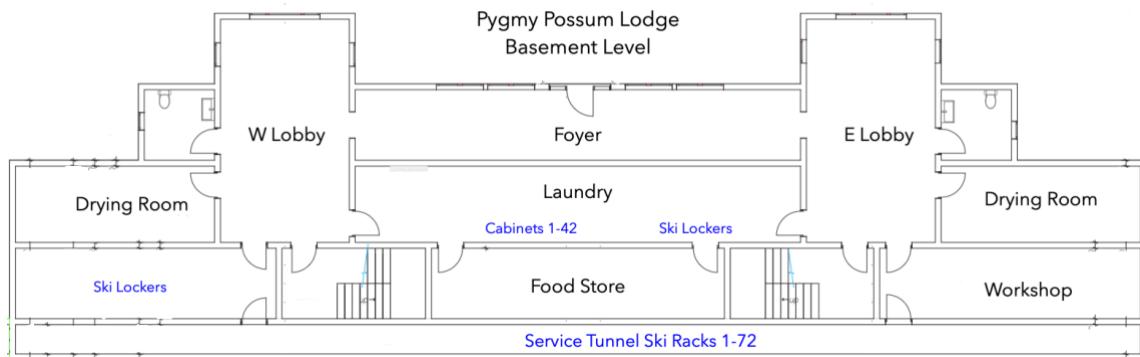

Most of the storage is fully subscribed but there is turnover. If you are interested, put your name on the wait list. For more information on eligibility see the Club's [By-Laws](#).

## Service Tunnel Ski Bays

Skis, poles, snow boards and snowshoes can be stored in the numbered bays, preferably in ski bags and members provide their own chains/ropes and locks. Gear stored here should be registered and labelled with your name and member number and the tag above the bay also completed. **Note no suitcases, bags or boxes of sundry items.**
